

## New Zealand Election Study 2008

### CONFIDENTIAL

### HOW TO FILL OUT THIS QUESTIONNAIRE

To answer most of the questions you need only put a tick in the box next to the response you choose. Please choose the answer which is closest to your view. Sometimes you are asked to write your own brief response. In most cases, there are no right or wrong answers, and, in particular, there is nothing wrong in saying that you don't know or don't have an opinion on some matters! If you object to any question, you can simply move on to the next one.

Here is an example.

Do you think the government should spend more, the same as now, or less on defence?

**Government should  
spend more on  
defence**

**Government should  
spend same as now  
on defence**

**Government should  
spend less on  
defence**

If you personally think the government should spend the same as now on defence, you TICK the box as shown. PLEASE MAKE TICK MARKS CLEARLY WITHIN THE BOXES TO MAKE READING YOUR RESPONSES AS EASY AS POSSIBLE.

Sometimes you are asked to write in an answer in words or numbers. In those cases, simply do so in the box provided. Sometimes your response to one question will mean you can skip the next question or questions that do not apply to people who responded that way. Sometimes one response leads to one question, others to an alternative. In these cases, instructions and arrows should indicate what's needed. Please read each question carefully. Remember, mostly there are no right or wrong answers. We just want to know your own personal opinions.

**When you have finished the questionnaire, please place it in the envelope provided and post it. No stamp is needed.**

We hope you enjoy the questionnaire. And thank you very much for taking part in this study.

**Professor Jack Vowles, Associate Professor Raymond Miller, Associate Professor Ann Sullivan, Dr. Jennifer Curtin**
